

# HUMN1201 Review Questions Units 5-6

This review guide is meant to help you revisit concepts we've already gone over to make sure you fully understand them before we move on to the next unit. Because each unit builds on the older ones, it is VERY important to fully understand each key concept before moving forward—so, take this review very seriously.

In order to complete this, review your quizzes, homework assignments, readings, videos, and notes.
